–[Kingway Motel](#), Highway 45 And 51 Bypass, Fulton, KY 42041 (270) 472-3324, Vintage-type motor inn located near Interstate 69.

–[The Meadows Hotel](#) 101 Commercial Avenue, Fulton, KY 42041, (817) 307-2601, <http://www.meadowshotelfulton.com/> The Meadows Hotel in downtown Fulton, Kentucky is a historic boutique hotel. Construction and renovation began on the old building in downtown Fulton (circa 1901) in September of 2016 and opened in November 2017. A unique historic boutique hotel with 14 guest rooms, and an intimate small restaurant and bar called “Bar 101”. In the lobby find a small retail shoppe called the “Meadows Shop” with souvenirs to quick food to sundries. Each room is individually appointed. In May 2019, the Meadow Hotel announces an expansion plan, by purchasing the two adjacent buildings allowing the Meadows Hotel to occupy the entire block of Commercial Avenue. The Meadows Hotel is adding 6,800 square feet with major features and amenities comprising of seven new guest rooms, including a Presidential Suite. The 800 square feet two-room suite will be the only one of it's kind in our entire area. The expansion will allow for a new 800 square feet commercial kitchen with new equipment to make every dish from scratch, including the ability to deep fry, sauté, chargrill, bake, broil, fry or boil, a new 50 seat dining room, increasing our capacity to serve up to 100 guests and cater weddings and events. The Meadows Hotel will also have a business center for our business travelers, a 7x24 vending area for snacks and drinks, an additional laundry, storage rooms and more. Construction is underway and completion is expected November 2019. The Meadows brand will stand for excellence and luxury. In fact we want our guest to relax in history, with modern luxury.
